

**Sensory Impairment Support Assistant Advert
Vacancy at Woodston Primary School**

Post	Sensory Impairment Support Assistant
Salary/Grade	Grade 9 - Point 24 . £ 22,929.43 (actual salary)
Contract	Fixed Term contract until end of January 2025 30hrs per week for 195 days (Term time plus training days)
Date	16/04/2024
Start Date	As soon as possible
Further Details	<p>We are seeking to appoint someone to provide support to identified pupils with hearing impairment needs. You must hold at least a Level 3 qualification in BSL and preferably have experience working in a school setting. In this role you will be regularly providing BSL interpretation in the classroom as well adapting and delivering programmes of work for individuals. We are keen to hear from candidates who may also have experience of supporting children with visual impairments.</p> <p>Woodston is a happy and successful school with a friendly team. The successful applicant will be supported through coaching and mentoring and provided with the relevant CPD to be successful and effective in their role. There will also be opportunities to network with others across the Trust and more widely.</p> <p>If you would like to arrange a visit then please contact the school office.</p> <p>We are unable to provide sponsorship for this position so please ensure you have the right to work in the UK before you apply. Woodston Primary is committed to safeguarding and promoting the welfare of its pupils and requires all staff and volunteers to share this commitment. The appointment is subject to the receipt of two satisfactory references and an enhanced DBS check.</p>
How to apply	Please complete the application form and submit a supporting statement which outlines your skills and experience against the job description and person specification.
Deadline	Wednesday 22nd May 2024
