

CHRISTINE MOSS

MEMBER

Christine has taught both secondary(Science) and primary education, before serving as headteacher of two local primary schools before retiring in August 2015. She was an active member of

Peterborough Schools' Forum and has been a Senior Adviser for Cambridgeshire County Council responsible for working with 63 schools, and their governors, to bring about school improvement. Christine has delivered a range of training to governors as part of this role and was County Lead on assessment.

Christine maintains her involvement in the community, having been Chair of Trustees of Stibbington Centre, a Director of Peterborough Learning Partnership and a Member of SciFest team arranging a biennial science festival for all. She has a BEd in Physical and Biological Science and NPQH and holds a Nottingham College Coaching Certificate.
